Care Instructions for Resin & Timber Boards

Each Caroline Joy Designs board is lovingly handcrafted from quality timber and finished with food-safe resin and oils. With gentle care, your board will stay beautiful for years to come.

🧼 Cleaning

- Wipe clean with a damp cloth after use.
- Avoid soaking or submerging in water.
- Do not place in the dishwasher.
- For stubborn residue, use mild soap and rinse quickly, then dry immediately.

🌿 Care & Maintenance

- Re-oil the timber section occasionally with food-grade mineral oil or board balm.
- Keep away from direct sunlight and extreme heat.
- Avoid cutting directly on resin areas to preserve the glossy finish.

💙 Usage Tips

- Ideal for serving cheese, fruit, or charcuterie.
- Use the timber side for light cutting; the resin side for presentation.
- Each board is unique — small variations in colour and pattern are part of its handcrafted charm.
